

The Gifted Eye of Charles Eames: A Portfolio of 100 images

from **17th July 08**

Best known for his groundbreaking contribution to modern industrial, furniture and architectural design, Charles Eames' incredible eye for detail is demonstrated in this collection of 100 rarely seen photographs.

Commissioned by Herman Miller and curated by the Eames office, the exhibition will be displayed at the Living Edge Richmond showroom as part of the Melbourne International Design Festival.

Living Edge | 345 Bridge Road, Richmond, Melbourne
